With reference to your letter No. 1937 of the 24th  
instant, regarding the staff required for the Municipal  
Depot, I have the honor to request to be informed whether  
it is not proposed to entertain Food Inspectors for the  
purpose of checking the sale of the imported food grains  
at controlled prices. It is presumed that 2 or 3 Food Inspectors  
Inspectors would be necessary when the rice from Burma and  
the Delta districts begins to arrive. If Food Inspectors  
for outdoor work are entertained I request to be informed  
whether the Depot Officer on Rs 70/- requires to be given a  
conveyance allowance of Rs 20/- as now proposed.

Letter No. 2022 dated 3rd February 1920 from the President City Municipal Council, Bangalore to the Food Controller and Director of Civil Supplies in Mysore.

With reference to your letter No. 3961 dated 28th January 1920 suggesting that 2 or 3 Food Inspectors may be appointed when the Burma and Delta rice are imported for sale in the City, I have the honor to state that I have appointed N.Rama Rao Naidu of the Comptroller's Office, as one of the Food Inspectors for the City. He once worked in that capacity in the city and gave satisfaction. His present pay in the Comptroller's Office is said to be Rs 40/- a month and I recommend his being appointed on Rs 50/- plus Rs 15/-.

2. In the place of the two other Food Inspectors, I have two applicants (1) C.M.Devaraj, Typist, Municipal office, drawing Rs 25/- a month and (2) C.P.Subba Rao, Supervisor, Provincial Depot, drawing Rs 25/- a month. Both of them may be appointed each on Rs 40/- plus 15 a month. C.M.Devaraj is competent to be a Food Inspector and I leave it to you to judge the capacity of Subba Rao as he is working under you.

3. The Municipal Depot Officer is allowed Rs 70 plus Rs 20. It is very necessary that he should have power to inspect promptly and be in touch with the sales in the City. It is therefore very necessary that his allowance of Rs 20/- should be continued.

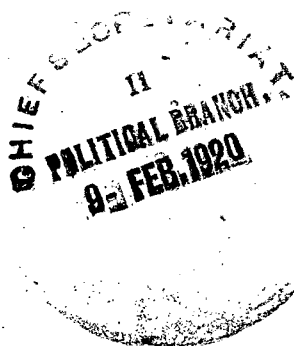

4. The City is large and there is considerable work for these Food Inspectors. The staff of three Inspectors, in addition to the Depot Officer for inspection and supervision, cannot be considered to be too much.

Sir,

In continuation of my letter No. **9822** of  
this day, I have the honour to state for three  
additional shops which it is found necessary to  
open in the Municipality for the sale of Food  
grains the President proposes establishment as  
noted below:-

1 Clerk on Rs. 25  
1 Measurer 12  
Shop rent 8 or Rs. 45 per shop.

I request that this may be sanctioned as  
the single municipal depot cannot deal with the  
large rush of people coming to purchase rice.  
The cost of the establishment will be charged  
to the rice.
